

APPLICATOR TANKS

Tanks

All applicator tanks feature a lid which threads directly into the fill-well of the tank to prevent the sloshing or leaking of tank contents during transport or application.

| Gallon Capacity | Premium Wgt Part No. White | Diameter | Height/Length | Fill Opening | Outlet/Drain Specification |
|-----------------|----------------------------|----------|---------------|--------------|----------------------------|
| ∞ 30 | 41799 | 23" | 21" | 5" | 3/4 |
| ∞ 55 | 45193 | 23" | 34" | 5" | 3/4 |
| 110 | 45053 | 30" | 41" | 8" | 1/4 & 1 -1/4" |
| 150 | 45117 | 32" | 46" | 8" | 3/4 & 1 -1/4" |
| 200 | 45059 | 32" | 62" | 8" | 3/4 & 1 -1/4" |
| 200 | 45061 | 38" | 47" | 8" | 3/4 & 1 -1/4" |
| 300 | 40135 | 38" | 68" | 8" | 3/4 & 1 -1/4" |
| 400 | 40137 | 42" | 74" | 8" | 3/4 & 1 -1/4" |
| 500 | 40274 | 48" | 75" | 8" | 3/4 & 1 -1/4" |

∞ Within UPS dimensional limits.
